Student feedback mechanism on Institutional Governance/faculty performance	The performance evaluation of teaching faculty is based on 'Student Feed Back Proforma', HOD's evaluation and Principal's assessment. This is carried out yearly and inputs from odd and even semesters are taken in to account. The 'Rating Sheet for Non-teaching Staff' is initiated by section-in-charges on yearly basis. HOD and Principal endorses their assessment on the format. Evaluation criteria includes behavior towards students/colleagues/higher ups, punctuality, discipline, willingness to accept responsibility, involvement in extra-curricular and co-curricular activities, completion of assigned works, etc. Feedback from the students, in respect of every course instructor is collected at the end of each semester, to analyze the characteristics such as, subject knowledge, communication skill, willingness to help, preparation of lessons, sincerity, punctuality, ability to maintain discipline, questions encouragement, presentation speed, general behavior and attitude, etc. If the performance of any staff is found to be below the required level setup by the College, the staff may be given training for improving their performance and /or caution to improve.
Grievance redressal mechanism for faculty, staff and students	A grievance redressal committee consisting few Heads of Departments and senior faculty under the Chairmanship of the Principal is in place to enquire into and recommend suitable measures to redress grievance of faculty, staff and students

Academic Sessions	HOD's meeting are conducted during the last month of each semester, to discuss all aspects regarding the preparation of semester plan for the forthcoming semester. The Timetable coordinator shall present a draft semester plan, taking all available inputs for discussion during the HODs meeting. Inputs such as date of commencement the semester, list of Government holidays, scheme of examination, vacation if any, last working day of the semester, number of working days in each month of the semester, university examination dates (both theory and practical) for each course year, semester wise, internal exam schedules, dates for college functions like Annual day, Hostel day, Sports day, etc. are discussed and decided. The draft semester plan is modified (if necessary) and may be discussed with the Director and Head of the Institution and Executive Director by the Principal before promulgation. Office Superintendent shall ensure that every staff is given a copy of the semester plan. The semester plan shall be displayed on notice boards for information of all students.
Examination system, Year /Sem	Semester
Period of declaration of results	Performance of the student in the internal examinations will be announced within two weeks from the date of the exam. External examinations evaluation will be done by the University and the results will normally declared within 45 days after completion of all examinations.
Counseling / Mentoring	We have allocated two group tutors for every class. The cgroup tutors closely watch the performance and punctuality of the students. Communication about the absenteeism will be communicated to the parents. If any student is absent for more than two days consequently parents will be briefed through telephone personally.

Career Counseling	Students are counselled by the department staff continuously. A placement officer and a training officer are available in the college to train the students to meet the requirements of the Industry.
Medical facilities	The institution has made all the necessary arrangements for providing adequate medical facilities as well as counseling facility to all needy students. The Institution is located in a place where it is possible to provide even highly advanced medical care immediately. There is a Medical College at Kolenchery which is just 4Kms from the college. The Primary Health Centre with inpatient facility is available at Kadayiruppu which is within 2Kms from the college.
Students Activity Body	A Staff advisor is nominated by the principal to coordinate all activities of the College Students' Council. The aim is to give orientation and leadership among students by organizing various extra-curricular activities. The council consists of representatives elected from all classes. Two representatives from classes having more than 35 students are elected. The term in office of the elected representatives is normally be one year. Students with sound academic and good attendance record are only eligible to contest for election. In addition, the Principal may nominate up to four representatives from students who are proficient in arts, sports, literary talents, etc., if not, properly represented by election. Under representation of girl students and non representation from SC/ST communities will also be taken in to account for such nomination. Office bearers of the students' council such as Chairperson, General Secretary, Sports /Arts Secretary, Magazine Student Editor, University Union Councilors (one or two based on student strength), etc. are elected by the representatives.
Cultural activities	Cultural activity coordinator prepares the budget in consultation with the Staff adviser, for hosting cultural events within the campus. Cultural activity coordinator forms teams of staff and students to handle various responsibilities for conducting arts festival in the college. Frequent interactions and rehearsals are conducted by delegating responsibilities. Screening of likely participants is arranged to enable minimum standard during competitions. Competitions are held among the students department-wise and talents are identified. Cultural events are conducted in line with the scheduled itinerary and winners are awarded prizes during a ceremonial function. Students are also sent to other inter collegiate competitions, accompanied by the cultural activity coordinator or other staff, with the approval of Principal.

Sports activities	Physical education lecturer prepares the calendar for the sports and games activities. He arranges the preparation of the facilities, procurement of the kit and organizes regular practice by selected participants. He also organizes teams of staff and students to handle various responsibilities for conducting the sports and games in the College. The students are divided in to four houses and a staff in-charge is appointed for each. Each house selects a captain. The sports and games are conducted in line with the scheduled itinerary and the winners are awarded prizes. Physical education lecturer maintains a list of talented sportsperson based on earlier performances within and outside the college. As and when inter-collegiate/inter university sports and games activities are announced, the Principal directs the Physical education lecturer to initiate necessary actions who in turn selects the team and arranges for the necessary coaching. Physical education lecturer sends the necessary applications to the organizers in consultation and approval of the Principal.
Literary activities	Students are encouraged to participate in all Literary events conducted in the college and as well as in other institutions
Magazine / Newsletter	**College magazine** is generally brought out every year to bring forth hidden literary talents of students. It can include contributions from staff and students like general articles, technical papers, poems, jokes, drawings, etc. It may contain messages from dignitaries who are well wishers of the College. The Principal appoints a staff editor for the publishing of the college magazine, who in turn constitutes an editorial board with staff/student representatives. Student editor, elected by the Students' council assists in bringing out the magazine. The magazine may highlight various departmental activities in the academic year, photographs of final year students, annual report by the Principal, brief reports on sports and cultural activities of students along with photographs, academic achievements of students and such other important activities of the year. The list of contributions to be published shall be decided by the editorial board. The Principal approves the same before printing. The magazine is usually released in a function arranged by the College. **News Letters:** The Principal appoints a news letter editor for the publishing of the college news letters periodically. Activities within the quarter are usually reported in news letters. Forth coming activities are also highlighted in the news letter. The news letter is usually circulated to neighbouring colleges and well wishers.
Technical activities / TechFest	Students are encouraged to participate in Tech Fests conducted by Various colleges.

Industrial Visits / Tours	Regular Industrial visit / Tours are organized as per university instructions.
Alumni activities	The college has an alumni association functioning with voluntary membership. All staff, former teaching staff and old students of the College are eligible to become members of the association
